New-home feng shui checklist · 新居风水检查清单

Twelve practical checks before and after you move in. No objects to buy, nothing mystical. 搬入前后的十二项实用检查。不用买东西，不神秘。

Before you commit · 签约前

1. **Main door direction 大门朝向**
   Stand inside, facing out, and note the compass reading on your phone. 站在屋内面向外，记下手机指南针读数。
2. **What the door faces 大门对着什么**
   Lift lobby, another door, a long corridor, a wall? Note it. 电梯厅、别家的门、长走廊、墙？记下来。
3. **Floor plan with the door marked 标出大门的平面图**
   Developer plan or a hand sketch; mark north if you can. 发展商平面图或手绘，能标北更好。
4. **Light and air 采光与通风**
   Which rooms get morning light; whether air moves through. 哪些房间有早晨阳光；空气是否流通。
5. **Surroundings 周边**
   What's directly outside the main windows and door: road, slope, building edge, open space. 主要窗户和大门正对什么：马路、斜坡、楼角、空地。
6. **Who's moving in 谁要搬入**
   Birth dates and times of the household, for a reading that fits the people. 住户的出生日期与时间，让建议贴合实际居住者。

Setting up · 布置时

7. **Entrance clear 入口通畅**
   Nothing blocking the door from opening fully; shoes and clutter off the path. 门能完全打开；鞋子和杂物不挡路。
8. **Bed position 床位**
   Headboard against a solid wall; you can see the door from the bed without being in line with it. 床头靠实墙；在床上看得到门，但不与门正对成一线。
9. **Desk position 书桌位置**
   Back to a wall, door in view. The same rule for the owner's seat in a business. 背靠墙，看得到门。生意上老板的座位同理。
10. **Stove 炉灶**
    Not directly opposite the sink or the kitchen door; the cook shouldn't have their back to the entrance. 不正对水槽或厨房门；煮食时不背对入口。
11. **Mirrors 镜子**
    Not facing the bed or the main door. 不对着床或大门。
12. **Flow 动线**
    Walk door to living room to bedroom. If you turn sideways or double back, rearrange. 从门走到客厅再到卧室。如果要侧身或折返，就重新安排。
